

Father God,

I now see that I am powerless in managing my life by myself. I am a sinner in need of saving. I've come to realize that I need to be restored to wholeness through Your Son Jesus Christ. I repent of my sins and I ask Jesus to be my Lord and Savior. Please come into my heart now. I want to be Yours. I make a conscious decision to turn my entire life and will over to You Jesus. Thank you, Father God, for saving me through Your grace and mercy. I am a new creation!
